Counting Scores

Each player's score counts for each team in every round.

Team Points Distribution

Points for teams finishing inside the top 8 in each regular-season tournament will be distributed on a sliding scale based on their final position. The accumulation of these points over the season will determine seeds for the Team Championship.

Tournament Podium finishers

Playoff to determine tournament winner; tiebreakers to determine 2nd and 3rd.

Season-long Individual standings

- » Lock Zone: 1-24
- » Open Zone: 25-48

Team Championship field

Teams will be seeded by their season-long points finish after the 13th event. The top 3 teams receive first-round byes while the remaining 10 teams compete in head-to-head match-play Quarterfinals.
